No sir! :)
We've had our ups & downs
you'd, but now is the time to put
all differences aside. I sincerely
wish you much success in everything
you set out to do! Take it light, Mike!

We shared some good
and crazy times between
work and school. I don't
think I could ever forget
those times. Sometimes
it seemed as though you
weren't all there, but I guess
that's just your own "unique"

GOING FOR THE GOLD

Micheal,

To a real sweet guy. I've known you for about two years and it's been real nice knowing you. Hope you stay as sweet as your are now. Wish you the best for the future.

EVANS' CLUBS ENTER COMPETITION AND EMERGE WINNERS

By Miss Ola Evans, Ass't. Principal

Evans High School was proud of the active clubs and organizations which participated in the constructive service activities of the school and community. Representatives from all the clubs worked together as Interclub Council.

BEING #1 A TRADITION FOR EVANS SPORTSTERS

By Mr. James Gosnell, Athletic Dir.

No matter what the odds, Evans' athletes and coaches always exerted the ultimate effort and made us extremely proud to go for the GOLD!

SCORES AND AWARDS EVIDENCE OF GAINS IN ACADEMICS

By Miss Wana Senter, Ass't. Principal

Evans High School has become a leader in academics as well as in athletics and club competition. In every department of the school, students were county, state, and national award winners. Prestigious awards included NCTE writing contest winners, national merit scholarship finalists, and other awards too numerous to name. Trojans went for the GOLD!

GOLD: STUDENTS WIN GOLD SEAL OF APPROVAL FOR BETTER ATTENDANCE, APPEARANCE, AND BEHAVIOR.

Never before have Evans' students looked so good.

EDITORS: Editor-in-Chief, Laurie Helander; Assistant EIC, K.C. Kendrick; Coordinating Editors, Laura Mayfield and Donna Flora; Business Manager, Craig James.

Evans is an educational institution, and an incredible amount of learning takes place in the classroom. We are very proud of the students and teachers at Evans in their continual strive for the GOLD.

The Gang Meets Where There's Action

By: Edson Bustamante

Our high school years were a once in a lifetime experience. They dealt with the hard, consistant school work and the struggle of entering the adult world. Yet when these thoughts were put to the side, everyone met where there was action. Such activities were rooting at the "Fighting Trojans" football games, being involved in clubs, or just being a part of the many happenings at school. All in all, one will remember that the gang always met where there was action.

Fads Come and Go on Evans Campus

By: Laura Mayfield

This past year, students could be seen in a variety of fashions — some trendy and others classic. During a typical day at Evans one saw such things as mini-skirts, half shirts, muscle shirts, checker-board shoes and hats, bandannas around necks, and

Blues Brother glasses. Then again, one would also observe the izods, oxfords, and top siders or the jeans and cowboy boots. Also, "Flashdance" brought on the wave of the off-the-shoulder sweatshirts. Overall, this past year's fashions seemed to be of the sort where just about anything could be worn.

We Love Our Wheels

By: Laura Mayfield

If anyone were to walk through the Evans parking lot, they would see vehicles ranging from ancient clunkers to flashy new sports cars. Some were rusted or crunched, others were barely holding together, and still others were carefully polished and painted. Yet if anyone saw the drivers, they would have to agree that no matter what condition the cars may have been in, the students were proud of every inch of metal. Yes, they all loved their wheels.

WHERE THE GANG MEETS

By Marina Ashby

Where did the gang meet? There were numerous places where we got together to have a good time. Just about everyone enjoyed some kind of sport. Whether it was football or golf, we always found someone who had the same interests. Someone's cozy home may have been a great place for us to sit around and talk about good times and bad times. Those pizza lovers liked to go to a pizza place and "chow down." Hallways, school parking lots, movie theaters and hamburger joints were a few of the other many places we got together. No matter who you were or where you liked to go, there was always a GOLDEN place for the gang to meet.

A DAY IN THE PARK

By Cathy Copeland

We felt fortunate to have Barnett Park in the midst of Pine Hills. On the weekends when things seemed dull, we gathered there for some fun. There was always plenty to do such as picnicking, playing on the seesaw, sunbathing, and other park activities. Everyone had a great time making new friends and clowning around. We shall always remember the good times, because those are the GOLDEN days for us.

FUN AT THE MALL

By Richard Carter

Why did we go to the mall? We went because it was a good place to meet our friends and make new ones and a place where we all could enjoy a good part of the day. It was a place to go to enjoy different lifestyles and cultures. The mall was a place to go to buy clothing, cameras, stereos, and other oddities. After the shopping spree, we could all sit down and have a bite to eat. It was a place to go and enjoy spending our earnings . . . or someone else's "POT OF GOLD."

WHEELS, WHEELS, WHEELS

By Laura Jerauld

Our Trojan wheels were as different as our Trojans themselves. Looking around our parking lot anytime during the school day you saw the ways in which our juniors and seniors got to school. Cars, trucks, vans, cycles, jeeps, you name it we had it. You could say the Trojan wheels refelcted our personalities. We had dainty ladies in their tiny cars and others in their vans. Our daredevils rode around on their cycles dodging Mr. Machos in their coups. The slick chicks cruised in their Camaros, while the "Good Ole Boys" traveled in their trucks. Some of our wheels were brand new and some were as old as our seniors themselves. Our wheels were only a golden beginning — 1989 Ferraris — here we come!

TALENTS AND HOBBIES

By Donna Flora

Many people had different talents and hobbies in the 1983-1984 school year and spent most of their time perfecting them. The many types of talents that students displayed were: singing, drawing, dancing, music, athletics, and journalism. The hobbies that the students revealed were: bowling, reading, collecting, computers, and photography. Indeed, all the students at Evans had at least one talent or hobby in which they took part.

Classes Go for the Gold

By Brenda Lewis

The weaknesses in our educational system have drawn much attention in the past few years. As a result, a restructuring of the system has begun within our school and throughout the state. Because of the new "back to the basics" emphasis and recent changes in graduation requirements, there have been many improvements in the quality of classes at Evans.

As students are becoming more aware of the importance of a well-balanced course load, they are turning back to the academic subjects of Math, Science, English, Social Studies, and Foreign Languages. Teachers are working to provide better learning opportunities in these areas.

New Class Sponsors Step into Action

By Hong Tran

The sophomore, junior, and senior class members returned to the new school year to face abrupt shifts in class sponsorship. In their perspective roles, the new class sponsors devoted their efforts toward uniting and directing their organizations for the purpose of having a successful and prosperous year. The clubs' projects and projections included the promotion of school spirit, and the collection of donations for various charities, and of course, the junior class's major task of planning a successful Prom. The previous class sponsors and their successors were as follows: **Mr. Bruce Suther** replaced by **Mrs. Sandra Caldwell; Mr. Thomas Lee** replaced by **Miss Margie Anderson, Mrs. Pam Baker,** and **Mr. Greg Stone;** and finally, **Mrs. Rosen** *succeeded by* **Miss Johnie Mae Anderson.** In conclusion, we would like to thank the former sponsors for all their devoted time and dedication, and, also, to welcome in the new sponsors.

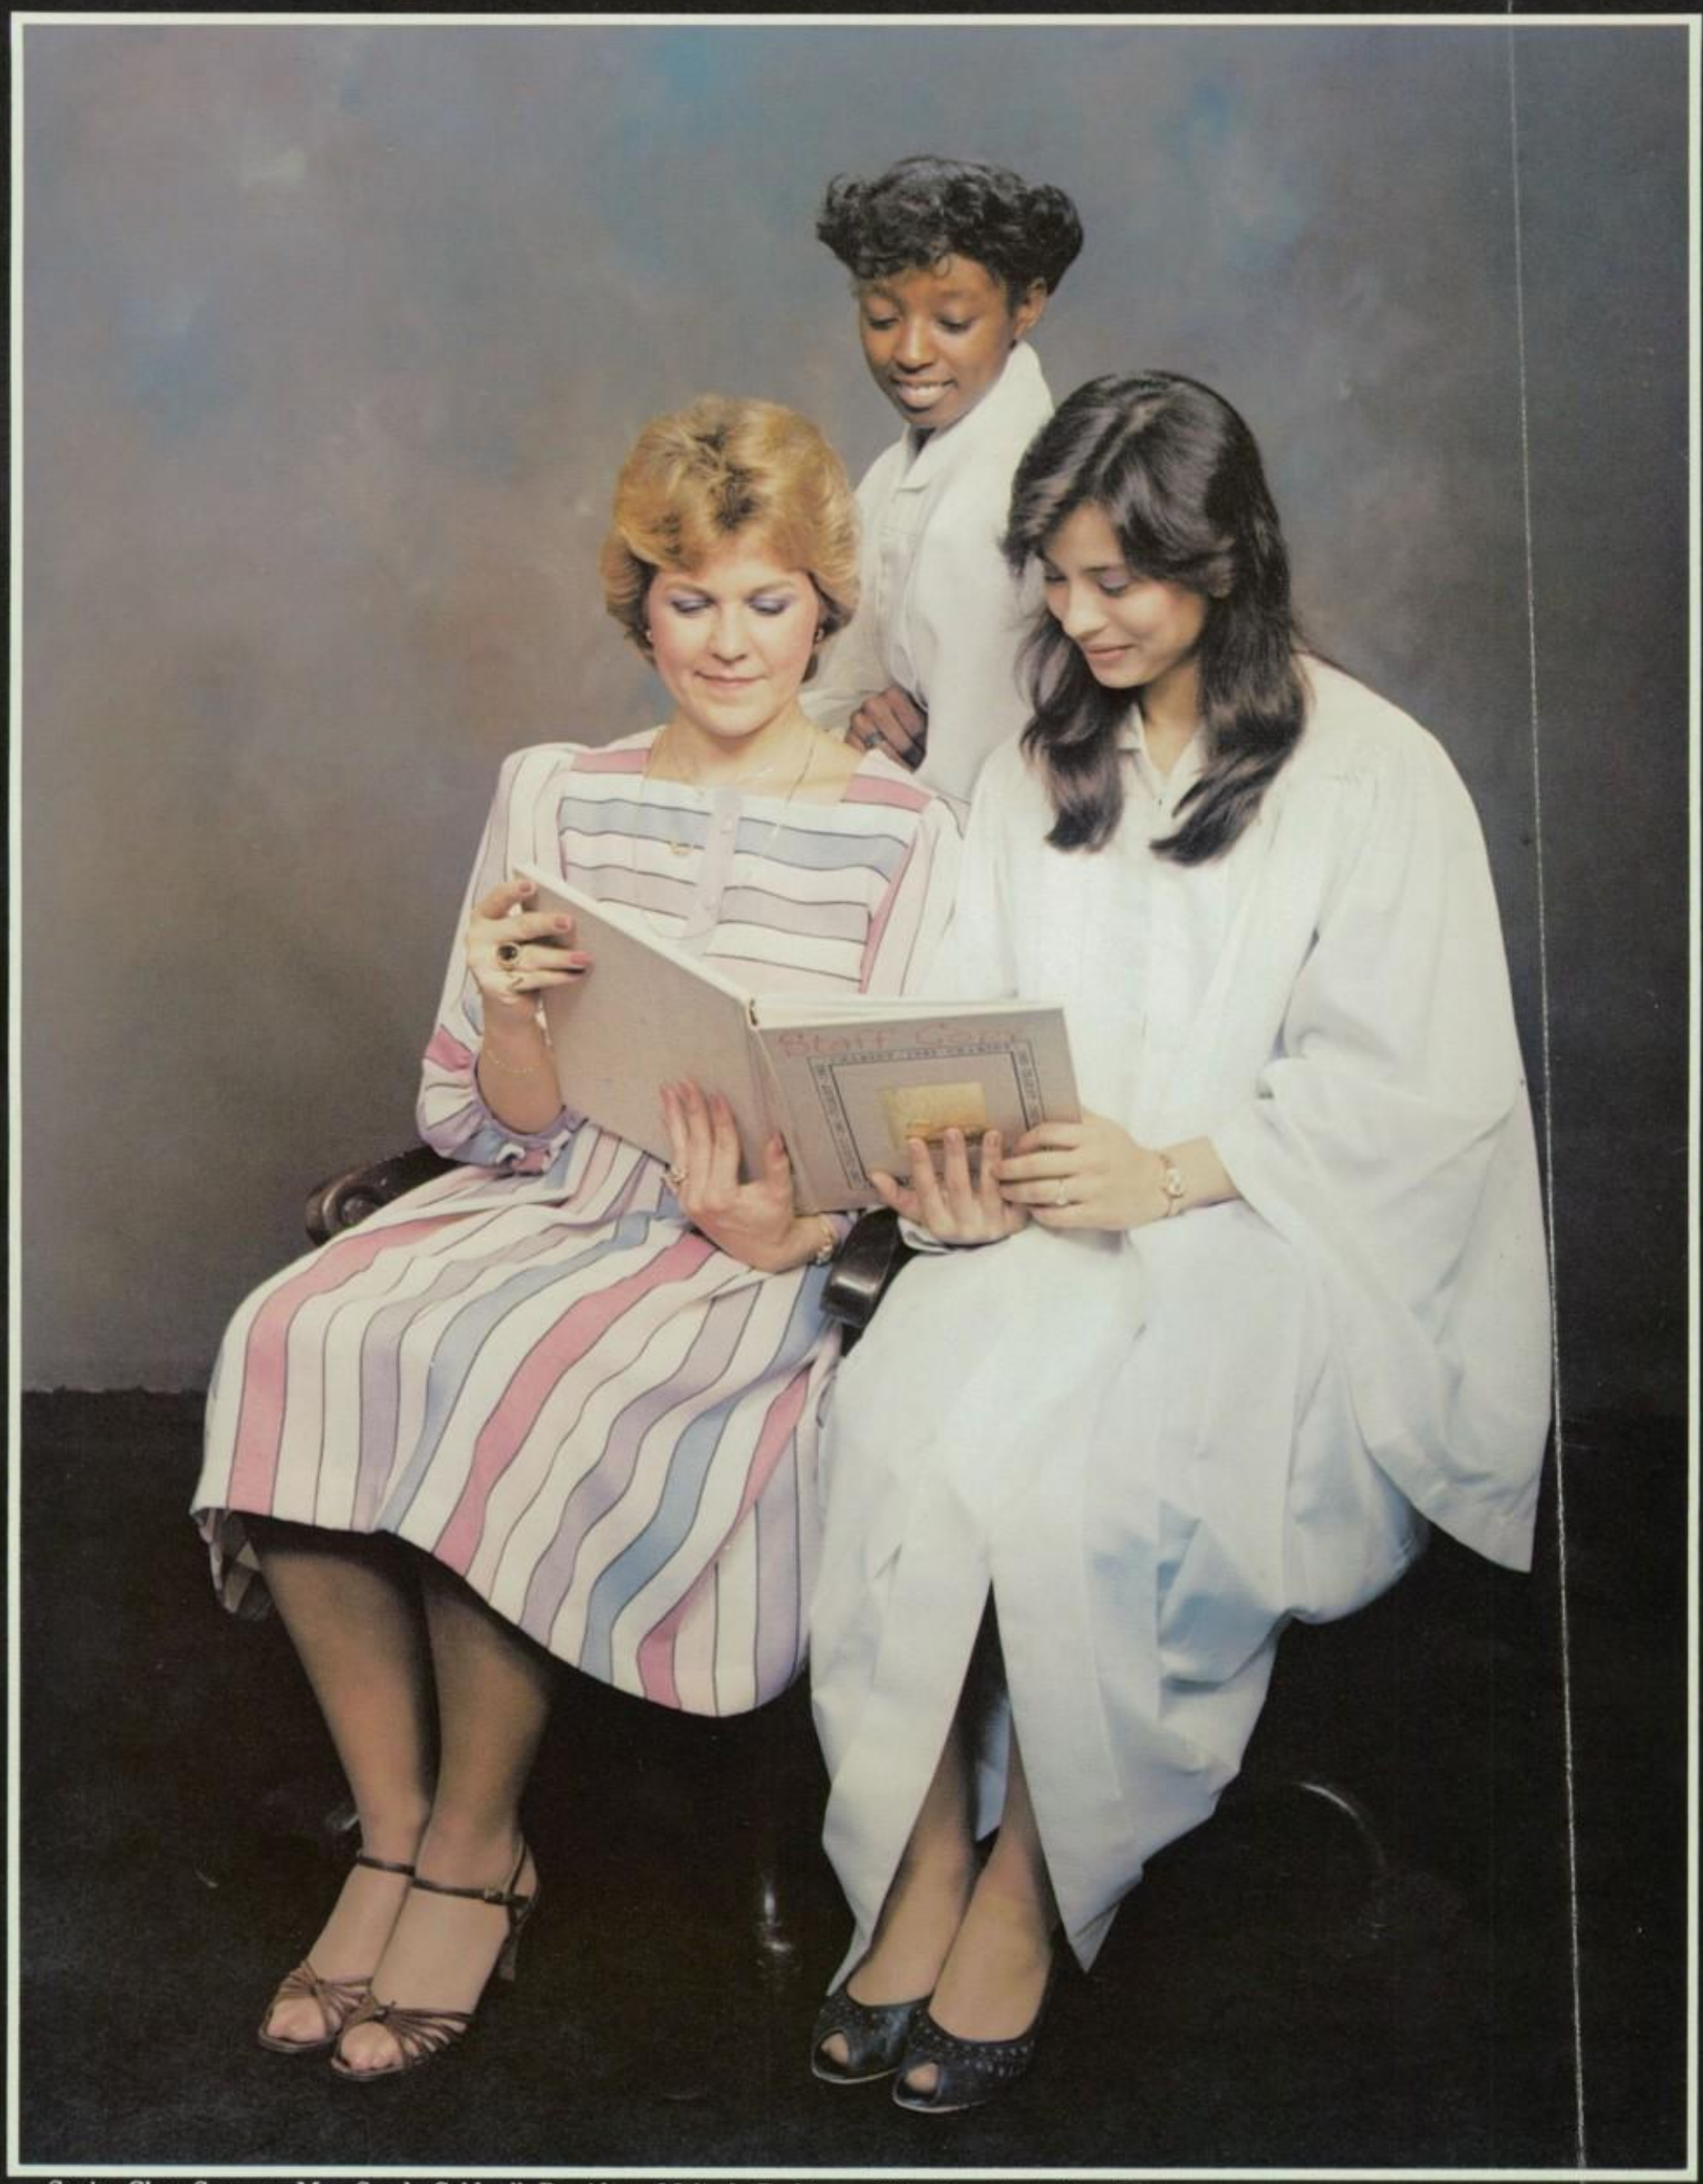
Our Own Special Rainbow

After you find your rainbow, you'll find your pot of GOLD.

This particular rainbow holds a very special promise for our seniors as it appeared above us as we had the pictures on the previous pages snapped. "Totally awesome!"



Senior Class Sponsor, Mrs. Sandy Caldwell; President, Malinda Rodriguez; Vice-President, Kim Tolbert.

1983 NEWS EVENTS

by Wide World Photo

#1: AUSTRALIA WINS CUP — Australia's 12 meter yacht Australia II (KA6) leads U.S. yacht Liberty in fifth leg of the 25th America's Cup in Newport, Rhode Island, September 26. Australia II was the first non-American yacht to win in its 132-year history. #2: DISASTER IN LEBANON — Rescuers prepare to lower a U.S. Marine on a stretcher after he was trapped in the wreckage of the U.S. Command Post in Beirut, Lebanon. Terrorists used a dynamite-laden truck to blow up the building. Two hundred and forty Marines died in the blast, October 23. #3: BRIDGE BIRTHDAY — Fireworks light up the New York City sky on May 25th as the city celebrated the 100th anniversary of the opening of the Brooklyn Bridge. #4: HOME FROM GRENADA — An American medical student kisses the ground after landing at Charleston, S. C. October 26. The Effect of Sports

By Donna Flora

Sports have many effects on high school students. These effects are both short and long range. Sports affect the amount of time an athlete has and also the athlete's grades. **Shaun Booth,** a senior who participates in football, wrestling, and weightlifting, says, "On weekends you still have to work out to keep in shape so that takes up time." Also, sports can determine college plans. An athlete may go to college because they have received a scholarship when otherwise they might not have gone. **John Hadley,** a senior who plays football, basketball, and runs track, says, "The coaches work you hard and prepare you well in the athletic program at Evans . . . that gives you an advantage with the college scouts." Sports can definitely have a great impact on high school students.

Going For the Gold

By Rudy Tapia

In going for the gold we had twenty-four athletic teams that participated in nineteen sports that began in August and ended in June. The Athletic Department at Evans has been very fortunate to be under the fine leadership of Athletic Director **Jim Gosnell.** We have participated in many district, regional, sectional, and state championship contests. To have a successful athletic program takes dedication and cooperation by everyone involved. The last two years we had this commitment by winning the All-Metro Championship. Our main objective this season in "Going For the Gold" was to win the Championship for the third year and retire the trophy at Evans.

Tough Season for Trojans

What many had hoped to be the year of the Trojan, turned out to be very disappointing. Our mighty Trojans started off the season with a convincing victory over Ft. Lauderdale 13-6, but from there on the road got tougher. A loss to Boone dropped Evans from the state rankings. After a second loss to Ocala, the Trojans came back two weeks later and beat a good Jones team 7-6. Although Metro losses to Winter Park and West Orange diminished all hopes of a Metro title, the Trojans bounced back to end the season with an impressive victory over Edgewater 17-0. At the end of the season, **John Hadley** was named as one of the best defensive backs in the state.

VARSITY CHEERLEADERS

Commit to Excellence . . .

We're Number One.

Before every school year starts the Varsity Cheerleaders and Yell Leaders, under the watchful eye of sponsor **Liz Jacobs** are hard at work getting ready for the big season. In August they attended the N. C. A. Camp in Wildwood, Florida. After each night's competition, the Trojans returned to their cabins with superior winnings and topped the week off by being one of the four squads selected to compete in the finals. The Trojans walked away with everything: spirit sticks, blue ribbons, the Key to Spirit Award, and the most cherished award — the Award of Excellence. With this award came an invitation to the National Competition in Dallas, Texas. It was an honor to be invited, and the squad worked extremely hard to fulfill the chance to go. It's no surprise that this very talented group kept that Trojan spirit high through the pep rallies, football, and basketball games of the 1983-84 season.

Super Season for J. V.

The 1983 J. V. Football team, under the coaching of **Ernie Chandler,** finished the season with a victory over Colonial High School to clinch the Metro title. The team came up with many great plays to finish the season 6-1. Outstanding players such as **Kevin Labreque** and **John Coffey** provided the team with a season that all of Evans can be proud of.

Give Me A "T"

The 1983-84 Junior Varsity Cheerleading squad was a very talented and spirited one. Under the supervision of the new J. V. sponsor, **Sharon Cashwell,** the J. V. team was off and running for an enjoyable and successful year. The cheerleaders started their year by attending the D. C. A. Cheerleading Camp at Stetson University in Deland. During a four day, three night stay at the camp, the J. V. squad captured many different awards to bring home. Not only did they receive outstanding ribbons for spirit, jumps, and stunts, they also brought home the fourth place overall award out of twenty J. V. squads.

A Team – A Friendship – A Family

By: Samantha Griffin

The Trojan Cross Country Team, under the unfaltering guidance of Coach Carruthers, finished off their running season with the boys' team placing fifth in the Metro and the girls' team placing fourth. This close group of friends could be seen dotting the sidewalks of Pine Hills Road and the hills of Hiawassee. Key runners for each team included **Jannee Frey, Todd Griffin, Debbie King, Linda Pallone, Paul Wilkerson,** and **Luis Conde** with new runners, **Randy Datson, Marvin Fleming,** and veterans **Jamie Duck, Donald Gailey,** and **Mike Trahe** making admirable efforts. Captains **Samantha** and **Todd Griffin** and twin sisters **Cindy** and **Sami Cobb** frequently were seen running in pairs, forming a unique and unusual friendship between themselves. Each runner contributed to make the team a bonded friendship and should be commended on a season full of hard work and gutsy determination.

BOYS' SWIMMING

Bobbing Along

Coach **Brammer** worked the 1983-1984 swim team very hard this year in an attempt to win this year's Metro Title. The Boys' Swim Team came close to accomplishing this feat, but surprisingly they did not. Coach **Brammer** and the team put in long hours and worked diligently in the ice-cold waters of the local pool.

There are nine members on this year's team. Led by seniors **Brian Koivu, Bobby Taylor, John Bretnall,** and **David Crimi.** Followed by the only junior **Chris Bailey,** and sophomores **Kazuhiro Ama, Chuck Hugler, Billy Heins,** and **Scott Manley.**

Chris Bailey is one of the most improved swimmers on this year's team, according to **Mrs. Brammer.** He is an all-around swimmer, but excels in the back-stroke. Not to mention **Bobby Taylor,** who is coming along extremely well with his back-stroking.

Coach **Brammer** is looking forward to winning the Championship next year and hopefully they will become successful.

GIRLS' SWIMMING

Successful Stroking

Striving to win with the best of their ability, this elite, hard working team of young women gave their all this year in an effort to bring home the girls' division of the Metro Championship. Unfortunately, they, like the boys' team, did not manage to win the title. They battled it out against numerous teams such as West Orange, Edgewater, and Colonial.

This year's team consisted of seniors — **Donna Buzzell, Leslie Klein** (the divers), and **Michelle Killingsworth,** juniors — **Diane Huling** and **Debbie Goldman;** sophomores — **Dena Megow, Barbara Gallo, Jackie Friermood,** and **Chris Blackwell.**

More than likely, Coach **Brammer** will retain a few old members and recruit a few new members for next year's team in hopes of carrying on the pride and strength of a hard working team.

Evans Does It Again!

The Evans volleyball team went 18-2 this season taking with them the district and regional titles, and almost took the sectional title but were defeated by the Eau Gallie team. In almost every game, they won by at least 6 points. When **Calvin Linglebach** took over as coach, he had one thing on his mind "WINNING", and that's exactly what they did this season with team work, sweat, and a lot of training to get their titles. Also, they were very proud of teammates: **Cassandra Cameron** and **Dee Jefferson,** who placed second and third respectively in state rankings. **Cassandra** and **Dee** actively showed why they received their rankings when they team up for a set-n-spike play.

Rudy Tapia Returns Home

This year the Evans Trojans began the season with **Rudy Tapia** as the new Head Coach replacing the successful **Richard Hulette. Coach Tapia** came to Evans with the same enthusiasm and desire he left at Edgewater where he won the State Basketball Title in 1976. A pleasant surprise has been **Jimmy Kuhl.** He transferred from Bishop Moore where he started as a sophomore. This year's team will again compete at the prestigious Governor's Cup Invitational. Although the team looks to have a difficult time matching the seven straight years of twenty wins or more, they are determined to win another Metro Title.

GIRLS' VARSITY BASKETBALL

"Winning Streak"

The girls' Varsity Basketball team rose to the top this year. The young women united and worked as a team to become as successful as they did to earn the honor of becoming one of the top ten teams in the state.

Cynthia Williams and **Cassaundra Cameron** were among the top ten leaders, while **Gloria King** strived to be the most improved player.

Coach Starbird is looking forward to an even better season next year, although it would be hard to improve the perfection of this year's team.

By: Cheryl Stark

Led by Junior **Lorraine McCastler,** the Junior Varsity Basketball Team's efforts were hampered by a lack of competition. Since no other Metro Conference school fielded a J.V. squad, the young Lady Trojans were forced to play an abbreviated schedule of non-conference teams. Player point included **Karen Barrett** and **Lori Cairns,** a Michigan transfer, while **Rachel Harris, Sabra Cameron,** and **Denise Lee** filled wing positions. Post players consisted of **Darlene Fluker, April Peterson, Lorraine McCastler,** and **Alicia Wheeler.** Leading scorer and rebounder for the team was **April Peterson.**

The Mighty Trojans

by Coach Ernie Chandler

The 1984 Trojans were one of the best teams in the state while playing one of hardest schedules. The team played the top teams in Jacksonville, Tampa, and Miami in addition to all the local powers. Evans played eight teams rated in the top ten in the state beating seven of them.

The Junior Varsity Soccer Team was a group of talented boys having a kick out of what they loved doing most. A lot of hard work and determination was all part of making up this winning team. GIRLS' TENNIS

Anyone for Tennis

The 1983-84 Girls' Tennis Team started the season off with a blast. With returning seniors **Linda Russel** *and* **Sharon Tillman,** *the year was a great success. By watching the team play, you would think that juniors* **Michelle Studstill** *and* **Aquasia Johnson** *were professionals.* **Coach Kessler** *put long hours of dedication into the team for the Metro Championship. The girls worked hard every day to perfect their backhands and serves. The girls ended its season very well and hope to do even better next season.*

FORE!

The 1983-84 Golf Team got off to a very slow start due to lack of experience. With only two seniors and six sophomores, the team proved they were competitive. Under the leadership of Coach **Bob Gordon,** the team practiced for many hours on the green turf of Rosemont Golf Course. With a schedule consisting of many matches and tough competition, the team swung their way to victory. **Gary Akins** putted his way to many victories and **Mark Adkins** teed off brilliantly. Meanwhile, the sophomores picked up a great deal of tips from the seniors.

GO FOR THE PIN

Wrestling is one of the South's favorite sports, and it is only natural to carry it into high school. Here, it is used as a competition sport between schools. The practice began after school. After the team did the warm-up exercises, they all went to the weightlifting room to work out. There, each member practiced their moves and learned new ones on the wrestling mat.

The competition was fierce as each boy entered the mat for one more trial to see who was number one. This proved that Evans had the spirit to go for the gold!

Muscle-Bound

The 1983-84 Weightlifting Team showed great improvement this year. Once again, this year's team was expected to become the Metro Champions. Two of the teams leading players are **Shaun Booth** and **Michael Fleming.** New comer **John Thompson** has proven to be an outstanding weightlifter. Returning athletes **Andre Thorton, Dale Wilkerson,** and **Tracy Clark** led the team to a successful season. Always in pursuit of the perfect season, **Coach Gierke** works hard with the team. The team is unconquerable and hopes to keep its position as Metro Champions.

New Coach Brings New Outlook To Trojans

The 1984 Trojans were considered to be potential winners, and they were. Replacing **Darrel Range** as head coach was **Reed Johnson.** Not knowing who would try out or what to expect, **Coach Johnson** brought a whole new attitude to a team which lost seven seniors to graduation. After a tough winter of constant practice, **Coach Johnson** put out on the field a team with determination and a willingness to win. **Marty Gartell** also brough a new dimension to the team. Three-year seniors, **Herb Shearon** and **Mark Rambo** provided the offense, while outstanding defense came from **Sam Hall, Randy Dye, Dave Crimi,** and **Stacy Sizemore.**

The beginning of February heralded the return of the baseball diamond of the J.V. Trojans. Under the leadership of **Coach Miele,** the team had an outstanding year putting other Metro teams in their place. The Trojans did a lot more than just play baseball and have fun, they learned the fundamentals and got ready for next year's varsity team.

Flipping Out

The 1983-84 Gymnastics team was off and jumping with two returning girls from last year's State Championship team. **Lesli Klein,** who was out for a comeback after last year's serious accident left her unable to compete was one of them, and **Donna Buzzell,** the outstanding gymnast was the other. With three new super sophomores — **Paulette Dunn, Teresa Billingsley,** and **Sandy Kiernan;** this year's team consisted only of five members and was a team with a lot of determination to capture the Metro title again for the 8th straight time. Under the new married name, **Glennelle Hamlin,** the super coach, coached her girls to accomplish that title. They may have been a small group of girls, but they were "Flipping Out!"

BOYS' TRACK

Trojans On The Run!

The 1984 Trojan Track Team, headed by **Coach Nate James,** had a very successful season. The season was so great because of the abilities of **Dekalo Whitfield, Mike Reddick, Frank Coleman, Travis Green, John Childers,** and **Emanual Childers.** There is more than just running in the sport of track and field. Other events are the disc throw, the hurdle jumping, the shot put, and of course the running relays. Hard work, lots of sweat, and hours of practice were needed if they wanted to be a winning team. This year's Trojan Track Team was certainly on the run and doing well.

Sprinters

The 1984 Trojan Track Team, headed by **Coach Pryor,** had an interesting and successful year. With returning All-American **Angela Curry,** the lead sprinter, once again dominated the event. The team counted on many underclassmen to carry the load and two seniors, **Angela Winbush** and **Cassaundra Cameron,** to be the leaders. The relay teams proved to be one of the best Evans has ever had. New comers **Debbie King, Carolyn Hightower, Valerie Sasser,** as well as juniors, **Marie Hawkins, Bernadette Tolbert, Towanda Walls,** and **Audrey Jefferson** all contributed to a fine season.

Homecoming Is A Blast

By Malinda Rodriquez

Thursday of Homecoming Week was the most disappointing day of all of Homecoming. The Parade Committee plus the rest of SGA worked hard and long to get the parade organized. No one will ever know the weeks of calling to see if we could get a permit and telling everyone to go ahead and build their floats — saying there will be a parade no matter what! We remember the agony of fearing we would not receive permission for the parade and how with the help of Mr. Pitts and Ms. Evans we finally did — two days before the parade. Such joy and elation has never been seen! Throughout all of this frenzy of activity we all prayed that it wouldn't rain. When Thursday came around we were distributing line-up sheets and getting ready when we noticed that it was beginning to cloud up. The floats which the clubs worked so hard on arrived at the starting point. The creativity and the detail was inspiring. The enthusiasm of all the members should have stopped the rain — but it didn't. Nevertheless, Trojan spirit would not be crushed so the parade did start. But along the way it began to rain so they had to cancel it. Many people were upset. All of the hard work for nothing, but the sun did come out later. SGA would like to thank all the clubs and people who participated in the parade.

AN INTERNATIONAL FLING

By Michele Davenport

Sunglasses, Socks, Shoes, Hats, and Ties . . . If you were on campus the first day of Homecoming Week, you would have seen a variety of these things! If you returned the second day, you would have thought you had made a mistake and returned to Elementary School. The "kiddies" that were running around had a lot to be excited about. It was Homecoming Week and they had come dressed to support their school. Those same "kiddies" sure grew up a lot when they came Wednesday dressed "G.Q." Many looked even more spectacular when they participated in Coronation that night. Twenty-five different clubs participated in Coronation by sending a King and Queen chosen by them to represent their club. What good choices they made. These couples along with the class attendants made Coronation a beautiful success. Then came Thursday and the clowns. Who said that school wasn't for "clowning around?" Many of these clowns participated in the Homecoming Parade that same afternoon. Maybe Thursday the Homecoming Theme should have been changed to "Don't Rain on My Parade." For rain it did. The floats which clubs worked so hard on became drenched before the parade even got onto Pine Hills Rd. Even so, the parade was bravely led on by Mr. Pitts and Miss West Orange, followed by the Marching Trojan Band and the many club floats. A quarter of the way through, and many wet people later, the parade master left, the band went home, and the parade was cancelled. The rain may have drowned out the parade, but it couldn't drown the spirits of the excited Trojans. On Friday, the school was filled with Trojans dressed for Spirit day! Green and White covered the campus in preparation for the game against Vero Beach and the announcement of the King and Helen of Troy that night. During Half-time, the stage was set and with the band playing in the background, the finalists for King and Helen of Troy were introduced: nominated for King were Morris Hudson, David Gailey, Jeff Harper, and John Hadley; for Helen of Troy were Karen Johnson, Lisa Keesey, Kim Tolbert, and Angela Winbush. The music stopped. The crowd grew silent in anticipation for the announcement of the winners. The 1983-84 King and Helen of Troy were **David Gailey** and **Lisa Keesey**! The excitement didn't stop there, though. The football team gave Vero Beach a tough fight but were defeated with a score of 6-13. Even this couldn't down the spirits of the Trojans. After the game, many Trojans came to the dance and had a wonderful time. Thanks to the hard work by the Student Government and the support of the student body, Homecoming was one to be remembered fondly for years to come.

PROM

Every year, the Junior class at Evans sponsors the Junior-Senior prom. It was the time when everyone changed from their everyday clothes to their fancy gowns and tuxedos. At the prom, there was nice entertainment to enjoy. When the feet started aching, everyone went to a well catered buffet of food and drinks. Also, there was always a professional photographer to take pictures of the memorable occasion. At the close of prom, each Senior and their date went their separate ways.

Robin Young *and* Terry Butler

Every year at Walt Disney World's Magic Kingdom, one of the biggest celebrations in the world was held for graduating seniors. The graduates and their dates enjoyed well-known entertainers and also the Magic Kingdom's fine and exciting attractions. The whole night was filled with lots of fun, excitement, and loads of happiness for everyone. This was one night that the seniors will never forget.

The annual Sweetheart Contest was a great success this year. The contest was sponsored by the cheerleaders and yell-leaders with the help of **Mrs. Elizabeth Jacobs.** The contest was held in our school auditorium on February 13, at 7:00 p.m. Each of the girls represented a club on our campus, with the exception of a few girls who had classmates sponsor them. For many of the young ladies this was the first pageant they ever participated in. The girls looked lovely in their dresses. **Majorie Waller** had the special looks and personality the judges wanted.

"We Made It!"

By Marina Ashby

Graduation means we made it . . . finally. It is the culmination of three years of blood, sweat, and tears, as well as friends, fellowship and fun. From the Tangerine Bowl to our own Evans Stadium, family and friends gather and join in the spirit of this special day. While our valedictorian speaks, all the graduates sit and reminisce about all those hard years of work finally coming to an end. Some of the seniors go to college pursuing a career, and the others go on to work. It doesn't matter where they go or what they are going to do; their high school diploma means their first big step towards adulthood.

Club sponsors are recognized

By Mrs. Brown

Being a club sponsor can be a rewarding experience. It was always fun to work with students outside of the classroom. It's through the club activities that both the student and teacher spent their time working goals that just were not practical within the classroom. There were times that made you wonder why you did it. In the end, the students made it worth it. I really think the strength of many programs lay within the framework of the club activities. I was all for getting involved and what better way than through a club?

Clubs stand up for the Gold

By Miss Evans

Evans High School was proud of the active clubs and organizations on the campus. Many club members became involved in constructive service activities in the school and community. Early in the year almost all clubs participated in all the Homecoming activities sponsored by Student Government. At Thanksgiving and Christmas, clubs helped needy families with food baskets. The academic clubs have tutoring programs throughout the year. Parties and activities that club members gave for residents of Sunland brighten their holidays. Representatives from all the clubs worked together as Interclub Council. This group purchased a lectern for general school use and carpeted the stage in room 307 for improvement of various groups. These and many other worthy club activities made us very proud of the clubs at Evans High School.

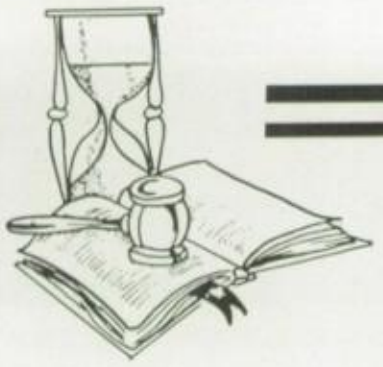
SGA



The Student Government Association, an organization where one learned parliamentary procedures, consisted of 18 members. This club, sponsored by Mrs. Graham, was responsible for the most spectacular Homecoming, Basketball Homecoming, the Christmas Door Decorating Contest, and Valentine Singing-grams. Their fund-raising projects included selling M&M's and dances. The money raised was used for all their projects and the state competition for Council of the Year. Money was also spent to fund the charitable organization, Edgewood Boys' Ranch. SGA held a Christmas party for the induction of new-

CHORUS

The Evans 1983-84 Advanced Chorus was one of the finest choruses Evans had for a long time. Under the direction of **Les Knepper,** this chorus blossomed into a very fine group. During the year, **Mr. Knepper** was assisted by **Marina Ashby,** president, **Sam Wright,** vice-president, **Brenda Martin,** secretary, and **Nadine Jipp,** treasurer. The officers' job was to work on extra activities, such as Homecoming, while **Mr. Knepper** worked on musical training.

In the Sophomore Chorus, there were students who first entered Evans Choral Department and were taught the basic elements in choral music. When a sopho-

BAND

This has been an interesting year for the Marching Trojan Band. They have participated in many contests, including District Marching Contest, and have also participated in festivals. Instead of a "superior" rating at District, though, they got an "excellent". The money earned from fundraising projects helped mainly with the purchase of any needed equipment and with the expenses for the spring trip to Tennessee.

The band again had a new band director, **Mr. Dennis West,** and this year's drum majors were **Michele Davenport** and **Jennifer Livesay.** The band officers were **John Mullins,** president

CHESS CLUB

The Chess Club was supervised and sponsored by **Mr. Winkler.** The first order of business was to elect the new '83-'84 officials. The result of these elections was: **Eric Lundman,** president; **Mario Carrera,** vice-president; **Galvarino Gonzales,** treasurer; **Roy Olson,** secretary; **Merideth Knepper,** statistician, and **Mike Trae,** photographer. The club consisted of approximately twenty-five active members who met once a week. The members held their annual Hoop-A-Thon to raise money for competitions. One such competition was held in Atlanta. The Chess Club sure kept busy this year!!!

E.S.P.

A newcomer to our campus this year was Evans Special People. E.S.P. consisted of eleven members including **Patty Schulz,** president; **Carolyn Walker,** vice-president; **Melinda Dilas,** secretary; and **Dennis Rodgers,** treasurer. The club was formed to help the students learn about the world around them and to help others learn to relate to people without regard to physical appearance. The members were very active and participated in such Olympic events as the C.P. Games and the Junior Orange Bowl.

CREATIVE PUB

The Creative Pub members were a talented part of our Evans campus. The seventeen students, sponsored by **Mrs. Phillips,** were recommended by their teachers on account of their writing ability which was the basis for *Infinite Demensions,* a literary magazine of poems and short stories.

The chance to be creative and the opportunity for their work to be published was what attracted many of them. Contests such as the N.C.T.E. Writing Contest and F.C.T.E. Writing Contest were entered. One talented member, **Scott Sugiucbi** won third place in a Peace Poetry Contest.

Evans Trojan Tribune was a vital part our campus life. They brought together per stories with special features on stu-nts and teachers such as student spot-ght and faculty spotlight. The Tribune nsisted of fourteen active members in-uding **Peggy Merkel,** editor, **Billy aniels,** co-editor, and **Darell Range,** sponsor.

Working on the Tribune helped the staff in many ways. They learned how to draw layouts, sell advertisements, and meet the never ending deadlines. Also, they had fun putting on a Christmas and end of the year school party.

FFA

In October, the FFA members and agriculture students accepted the challenge of beautifying the campus here at Evans. Special recognition was given to them, by our principal **Mr. Pitts,** at a special breakfast for their contributions in landscaping the campus. The sub district Contest was held December 2nd, in Saint Cloud, this contest included tractor driving, public speaking, and parliamentary procedures. The FFA entered an agricultural exhibit in the Central Florida Fair in February. This exhibit displayed many fruits, foliage, and flowers of Florida, The FFA members also participated in the FFA day at the Central Florida Fair. They

H.E.R.O.

The '83-'84 Evans H.E.R.O. Club, an active club on campus, played an important part in the Child Care Services and Occupational Vocational Classes. The club, sponsored by **Freida Burgess,** had fun organizing a Christmas party for their young friends. At Christmas time, **Santa Claus** visited the classroom and brought the preschoolers gifts of all kinds. This year's activities also included an eventful trip to the Fire Station and Brookwood Community Hospital. Overall, the hard work and dedication created the club's success with the various activi-

YEARBOOK

This year's Chariot staff was kept very busy. The members took and cropped pictures, drew layouts, wrote copy and struggled to meet the seemingly endless deadlines. Of course the business staff, headed by Craig James, worked deligently to organize ad sales and other fund raising activities. Also the head editors, Laurie H lander & K.C. Kendrick had to check an recheck the members work to make sure the book turned out practically perfect. Mrs. Haack and Mr. Grace, the yearbook sponsors helped everyone accomplish their tasks. Department Heads

By Mr. Buckman

Department Chariman — What is it like? Work — Lots of it! I spend a lot of time setting curriculum, spending money, buying books, solving problems, attending meetings, and being a sounding board for administration and teachers. In addition, a lot of time is spent emptying supply orders, marking books, running around the halls, opening doors and would you believe I even try to teach class! Fun — Loads! It is nice to hear what will happen before it does! It is great having control of curriculum being taught, or sitting in on the hiring of a new teacher. It is my nature to listen, so I love to help other faculty solve their problems when they have them. Patience — I am really working on that! Prestigious — I think so. I am recognized in and out of school

as well as the district. I've had the opportunity of sitting on the board that adopted State Books. I was also chosen for the committee that developed plans for Science evaluation for the 1983-84 school year. So, what is it like to be a Department Chairman? Hard work, responsibility, prestigious, fun, time consuming, a pain in the neck, but ya know what? It's mine, and you can bet I'll keep it!!

Evans Guidance

By Mrs. Spoone

The Guidance Department at Maynard Evans High School provides help to any student in need. Services that this department provides include helping students with applications for post-secondary education, helping students choose courses needed to graduate and continue toward their chosen goals, and helping students with coping skills for life situations. Counselors also act as a liaison between community agencies and students. These are a few of the other many services that guidance provides to assist Maynard Evans students.

Portrait of a Principal: **Mr. John C. Pitts**

Mr. Pitts displays the All-Sports ... second year in a row.

Mr. Pitts graduated with a B.S. in Social Studies from Florida State University in 1951, and he began his career in education as teacher and girls' basketball coach at Boston Georgia School. He taught high school social studies for two years at Immokalee, Florida, before coming to Central Florida in 1954. He taught at Howard Junior High School from 1954 until 1958 and was the guidance counselor his last year there. **Mr. Pitts'** career has been marked by advancements including the attainment of a masters degree in administration from FSU. He helped open Evans Junior High as the Dean of Boys' and Civics Teacher through the '58-59 and '59-60 school years. He was then promoted to Assistant Principal at Evans High until Spring 1965 and subsequently promoted to Principal of Apopka Elementary for the 1965-66 school year. Always on the move, **Mr. Pitts,** with all his knowledge and experience, opened Judson B. Walker Junior High as Principal for the 1966-67 school year. He then served as the Principal of Boone High School from 1967 to 1976, a total of nine years, before being transferred once more to Evans High School where he has been our principal for the last eight years.

Mr. and Mrs. Pitts have one son and three daughters who all graduated from Evans and have all become teachers! The **Pitts** are also the proud grandparents of three adorable children, the last born on January 30 of this year. **Mr. Pitts** loves sports, counting football, basketball, and fishing among his favorites. He and his family have enjoyed many outings in which they can get away from it all.

Our **Mr. Pitts** is an amazing man. He handles his job as principal of one of the largest high schools in the county with ease and dedication. We are truly lucky to have such a special person as our leader.

Always there, ever supporting our team.

STUDENT ASSISTANTS

Student Assistants are very special at Evans High School. To become a Student Assistant, you must fill out a request form and have a grade point average of 2.0. Student Assistants get one elective credit per quin for the help they give to the faculty and staff members.

When the guidance counselors were asked what it would mean if they could no longer have a student assistant, **Mrs. Holt** said that it would create a hardship because counselors themselves would have to run all their own errands. "It would hurt us very much; we would really miss them," said **Mrs. Spoon,** head of the guidance department.

Nineteen hundred eighty-three--eighty-four has been an exciting and rewarding year at Evans High School. The record of performance by our students and faculty is exceptional in many ways.

We are proud of the fact that our Student Government Association was chosen as the "Club of the Year" for Florida during the spring of 1983. In October of 1983 we felt a large measure of pride in the honor bestowed upon Mrs. Judy Brown who was designated as the teacher of the year for Florida in her teaching speciality.

Achievement test scores have improved significantly and we are pleased that our graduating seniors and underclass students have demonstrated this kind of ability and determination.

On the athletic field our Trojan students have continued to excel. The "All Sports" trophy has been awarded to Evans High, and is presently in our trophy collection due to the efforts of so many of our students and staff.

My very special thanks go to each of you. It's Great to be a Trojan.

Sincerely,

John C. Pitts, Principal

Evans High School has become a leader in academics as well as athletics. Our foreign language students are annually county and state winners. Evans traditionally has at least one NCTE writing contest winner, national merit scholarship finalists, county and state winners in Business Education, Science, Math, DECA, Home Economics, Art, and Agriculture every year. Evans High School is represented in military academies, colleges and universities over the country. The faculty is well qualified with a high percentage of teachers holding doctoral and master's degrees. Evans High School students do indeed "go for the gold."

Sincerely,

Wana Senter
Assistant Principal

Evans High School is proud of the active clubs and organizations on the campus. Many club members become very involved in constructive service activities in the school and community.

Early in the year almost all clubs participate in all the Homecoming activities sponsored by Student Government. At Thanksgiving and Christmas, clubs help needy families with food baskets. The academic clubs have tutoring programs throughout the year. In the fall students paint trash cans for the school. Parties and activities that club members give for residents of Sunland brighten their holidays. Representatives from all the clubs work together as Interclub Council. This group has purchased a lecters for general school use and has carpeted the stage in room 307 for improvement of various groups. Student Government members work hard and provide leadership throughout the year. These and many other worthy club activities make us very proud of the clubs at Evans High School.

Sincerely,

Ola Evans
Assistant Principal

We are proud here at Evans High School of our student-orientated environment. This commitment is reflected in all phases of the total curriculum offered to our students, for our students. We continually produce productive members of society that become functional members of our communities. Each graduation class produces many leaders in various vocations. We take all students that enter our gates and guide them toward their potentials. Maynard Evans High School graduates are known and always will be, because they are pacesetters of a modern day society.

Sincerely,

Richard Hulette
Administrative Dean

Maynard Evans High School Students and faculty can be proud of the fine athletic program here at the school. We won the all-sports trophy the past two years. Our athletic program has been enhanced by the addition of new facilities on our campus. New bleachers were installed in the gym for basketball season. The locker rooms under our stadium and the new concession stands on our football field were completed. Maynard Evans High School now has one of the finest high school stadiums in the state. Maynard Evans High School students and faculty do indeed have a lot to be proud of.

Sincerely,

Bruce L. Suther
Assistant Principal

The pride and spirit of Evans students is becoming more evident every year. This can be seen by the appearance of Evans students in their dress, manners and courtesy to other students and teachers. They also have more interests in the appearance of the school as evidenced by less vandalism. Evans students will surely reach the top in their striving for the gold.

Sincerely,

John Chantos
Assistant Principal

In Memoriam:
Mr. James Lusink

Mr. James Lusink taught school for thirty-two years. He began his teaching career at Howard Jr. High School here in Orlando in 1953. He came to Evans in 1958 when the school was first organized and opened. It was a junior high school with an instructional staff of about 18 teachers and a student body of 450 students.

During World War II, Mr. Lusink served in the infantry and fought with other American forces in Europe. He received the purple heart as a result of the wounds he suffered.

Mr. Lusink passed away on December 9, 1983 after a short illness. The student body and administrators will miss him very much.

COLOPHON

The Maynard Evans High School yearbook, *Chariot,* is a student activity and is funded by book sales, advertisements, and patron contributions. The writing, photography, layouts, and format are the responsibility of the editor and staff and do not necessarily represent the views of the administration, faculty, and/or students. Maynard Evans High School subscribes to the freedom of expression for its student editors and staff, which hopefully will be carried out in good judgment and taste.

Volume 26 of the *Chariot* was printed by Delmar Publishing Company located in Charlotte, North Carolina, and represented by Byron Kennedy and Company, St. Petersburg, Florida. The service representative was **Miss Missy Green** of Winter Park, Florida.

All printing was done by the offset lithography process. The cover design, conceived by the staff, includes embossing, two applied colors, and double quarterbinding. The endsheets are 60 lb. parchment, hot foil stamped. The paper is 80 lb. high gloss enamel. The Smith-sewn binding, rounded and backed with headbands was done at Delmar Publishing Company for our 20 signatures, trimmed to 9" by 12". The 1983 *Chariot* was distributed in May after a press run of 1,000 copies for its 336 pages including the 8 page gatefold tip-in and the 8 autograph pages. Issues were presold at the cost of $21.00 and later sold at the cost of $25.00.

A WORD FROM THE EDITORS

As the editors of the 1983-84 Yearbook Staff, we would like to give a special thanks to our sponsor **Mrs. Gail Haack.** She was a very dedicated and understanding lady, who stood behind our ideas 100 percent. Without her input and knowledge, we could not have produced such an excellent yearbook.

We would also like to thank **Mr. Charlie Grace** for helping us out in such hard times. In addition, many thanks goes to Bryn-Alan Photography Studio for their professional services which we could not of done without. Equally important was our Delmar Publishing Company and their representative, **Missy Green,** whose enthusiasm and encouragement helped us through crucial deadlines. Last, but not least, the Yearbook Staff for their dedication and all the long hours that they put into the yearbook.

---

1. Editor-in-Chief, **Laurie Helander.** 2. Copy editor, **Laura Mayfield** and Layout editor, **Donna Flora.** 3. Advisor, **Mrs. Gail Haack.** 4. Assistant Editor and Photography Coordinator, **K.C. Kendrick.** 5. **Missy Green** and Byron Kennedy of Byron Kennedy and Co. 6. Business Manager, **Craig James.** 7. New Staff members: **Robin Young, Cindy Holmes, Keith Jordan, Teresa Hunt, Lana MacPherson.** 8. Assistant Advisor, **Mr. Charlie Grace.**
